# THAKUR MADAN SINGH COLLEGE
Sawai Madhopur (Rajasthan)

**Date :- 10-10-2026**

## FACILITIES CREATED DURING THE LAST QUARTER

**Compliance: NCTE Regulations, 2014 – Clause 7(14)(i)(g)**

This is to certify that Thakur Madan Singh College, Sawai Madhopur (Rajasthan) has created and strengthened the following facilities during the last quarter in order to enhance academic quality, student support services and institutional infrastructure:

### 1. Library and Learning Resources

- Procurement of new academic journals and research publications.
- Addition of new books and reference materials in the library.
- Subscription of newspapers for enhancing current affairs awareness among students.

### 2. Science and Educational Infrastructure

- Installation of a Biometric Attendance Machine for efficient attendance management.
- Purchase of educational equipment and learning resources for academic activities.

### 3. Campus Facilities and Student Welfare

- Installation of additional ceiling fans in classrooms and common areas.
- Provision of wheelchair facility to ensure accessibility for differently-abled persons.
- Installation of a new water motor for uninterrupted water supply on the campus.

### 4. ICT and Security Infrastructure

- Installation of IP Dome Cameras at strategic locations for campus security and surveillance.
- Up gradation of the CCTV monitoring system through the installation of a DVR System.

### 5. Faculty and Student Development

- Organization of Faculty Development and Welfare Programmes for professional growth of teaching staff.
- Conduct of Staff Welfare Activities aimed at promoting employee well-being and institutional harmony.

### 6. Sports Infrastructure and Physical Development

- Procurement of sports equipment and accessories for indoor and outdoor games.
- Development and maintenance of sports facilities to encourage physical fitness and active participation of students.
- Organization of sports and recreational activities for the holistic development of students.

These facilities and initiatives reflect the institution's continuous efforts to improve academic quality, strengthen infrastructure, and provide a safe and conducive learning environment for all stakeholders. This report is issued with the approval of the College Management and the undersigned.
